

## Lithopolis Honeyfest Performance Application

### 2026 DATES

Friday, 9/11 3:00 - 7:00 pm

Saturday, 9/12 10:00 - 7:00 pm

The Lithopolis Honeyfest is a unique event in a small Village just Southeast of Columbus, Ohio. We typically see between 30,000-35,000 visitors during our 2 day event that travel from all over the state. Although we are a 501c3 Non-Profit Association with a smaller budget than other area events, we pride ourselves in showcasing some of the best entertainment for our visitors.

Our event has a Main Stage and a smaller Wagnalls Memorial Stage and both feature acts throughout the festival, ranging from 1-1.5 hours depending on scheduling. We do provide the sound system for our performers.

If you would like to be considered as a performer, please fill out the information below or send an email to [Good2Bee@LithopolisHoneyfest.com](mailto:Good2Bee@LithopolisHoneyfest.com) and include the answers to the questions below.
